Rica Takashima:

Art, Exhibitions, Manga, and Projects

Dual gender, Male, Female and Non-gender
Peekaboo-kuns with Kimono outfits.
Boogie On The Boulevard, 165th street and
Grand Concourse, Bronx 2015

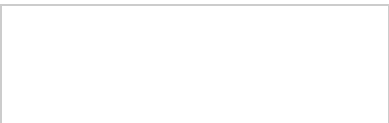

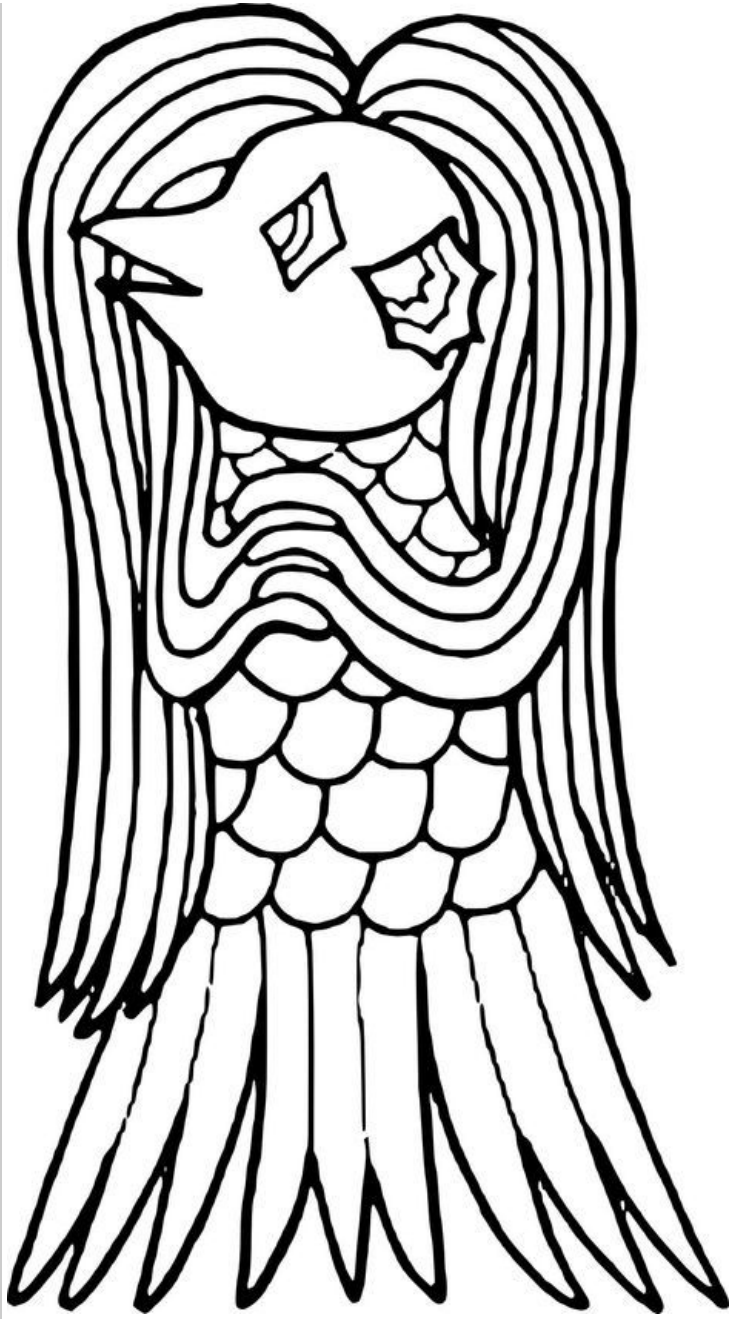

A “PeekaBoo-kun” is a cutout board, which is carved and painted to represent humans, animals and objects at actual size, with a hole where people’s faces can show through.

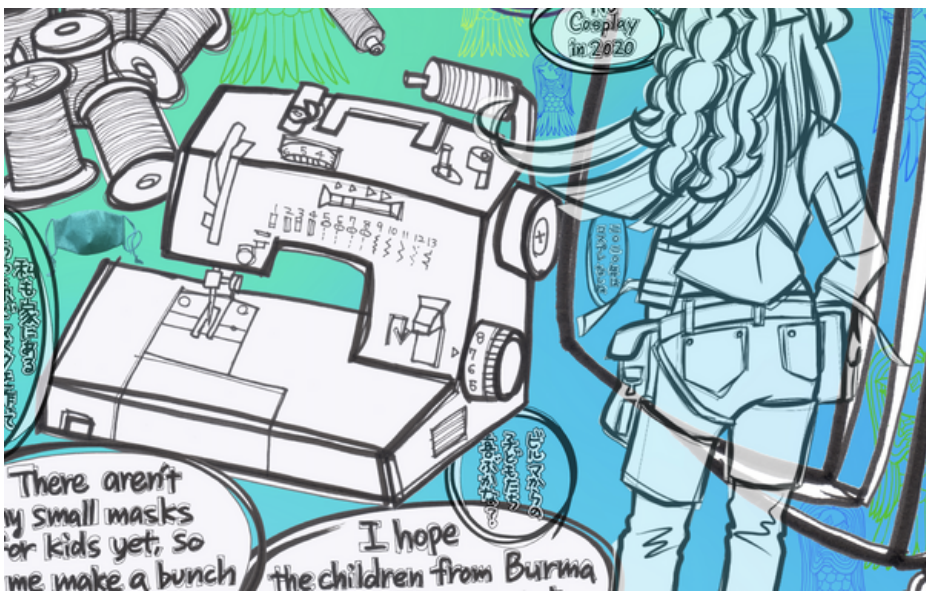

Amabie is a legendary Japanese monster.

It said 'If disease spreads, draw a picture of me and show the picture of me to those who fall ill and they will be cured.'

Afterward, it returned to the sea.

OMG, that video was about 6min long and had more details about other NYFA artists including my work.

Now it is less half-long and I appeared just a second.
